

## DACT BUS JOURNEYS

### March – December 2020

Following the successful trial at the end of last year, Brington & Whilton Parish Councils have joined together to continue the initiative to provide a very limited bus service to Daventry & Northampton, including a trial to Rugby that had been requested. The times and pick up points are listed below.

As before, the bus will be asked to pick up at Whilton first and will then travel to the Bringtons, so please note the slightly different pick up times for the two parishes.

If you wish to travel on the bus on any of its journeys, please let the clerk of your parish council know, so your name can be registered as a member of the Evergreen Travel Club. You only need register once. There will be no cost to the passengers for these journeys.

Destination	Dates (all Wednesdays)	Pick up Point	Time	Return
