

Christmas 2017 waste and recycling collections

Households are encouraged to find out more about arrangements for waste and recycling collections over Christmas and New Year.

All collections

Collections over Christmas and New Year will take place on their usual days, including Boxing Day and New Year's Day, **except for Christmas Day**. There will be **no collection on Christmas Day** (Monday, 25 December) and instead **ONLY** those households affected will receive a collection on Christmas Eve (Sunday, 24 December).

Black bins will continue to be collected as normal on their fortnightly cycle. Please make sure you recycle as much as possible as side waste and bins with raised lids will not be collected.

Brown bins will be suspended for two weeks from Christmas Eve until Saturday, 6 January inclusive. This will enable crews to focus on collecting extra recycling. Please refer to your collections calendar as to when your brown bin will be collected next.

Recycling boxes and food bins will continue to be collected weekly for all households on their usual collection day.

Large cardboard will be collected for two weeks from Christmas Eve until and Saturday, 6 January inclusive. If you have large cardboard and it won't fit in your recycling box, please flatten it as much as possible and place next to your boxes on your collection day. Please do not place it inside another cardboard box.

Extra recycling can also be put out for collection over Christmas.

If you have more recycling than your boxes can hold, please continue to sort your items and place them into clear or white bags next to your boxes (not black or green sacks).

Don't forget that you can recycle a range of festive items, including Christmas cards, wrapping paper, sweet tins and drinks bottles.

Real Christmas trees will be collected on your scheduled brown bin collection day when the service resumes (w/c Monday, 15 January 2018 for the majority of homes in Daventry District). Please break it up and put it into your brown bin or place the tree next to your brown bin or recycling boxes. Alternatively take it to your local household waste recycling centre – you can find your nearest at www.daventrydc.gov.uk/recycling

There are no communal collection points for real Christmas trees and they are only collected from households, not businesses or other premises.

Check your collections calendar – you can check your bin collection dates up to June 2018 on your waste and recycling calendar issued in autumn last year. You can also check online by searching for your postcode on our website at www.daventrydc.gov.uk or by calling us on 01327 871100.
