

We are privileged to be able to remain open during the January 2021 lockdown

Garden Centres and Pet Stores have been classed as essential shops, and this is not a responsibility we have taken lightly. Our aim is to provide the safest possible shopping environment for our wonderful customers and fabulous team during this difficult time. January is a quiet time at Whilton Locks anyway so there will always be plenty of space for you to shop safely.

If you are looking to visit the store please ensure that you follow our guidelines when visiting.

- We ask that you sanitise your hands before entering and that you wear a face covering at all times.
- Please keep your distance from us and each other.
- Please only handle goods you intend to buy.
- Please pay by debit/credit card and where possible use the contactless facility. There is a £45 limit for cards.
- Please step back from the tills to give our till operators the distance to be able to process your items safe.

In these difficult times remember that gardening is great for the soul, body and

mind. Even in bad weather, seasonal houseplants and patio containers are wonderful to brighten up your home. January and February are great months to take stock and plan your garden for the season ahead. We have seed potatoes, onion sets, shallots and all of the vegetable seeds you need for you to grow your own food this year. We also offer an extensive range of pet food, wild bird food as well as household fuel such as logs and coal.

As we are all required to spend more time at home, we hope you will find your garden remains a relaxing place of calm and well-being and a good source of exercise for the body and mind. If you are able to visit us, we will make sure our garden centre is a safe place to shop during lockdown. **Our Winter opening hours are 9am to 5pm Mon to Sat (until 15th Feb) and Sunday 10.30am to 4.30pm.**

We understand that some might customers not be comfortable visiting so please remember that we also offer a local home delivery service. You can order items online wlgv.co.uk or by telephone, **01327 843100** and both of these can be completely contact free.

Our web shop at wlgv.co.uk has now been improved to make online shopping even easier. We have added further categories to our web shop so you can easily find the items you are looking for so for example plants now show shrubs, evergreens, conifers, hedging, soft fruit, fruit trees etc. Compost now shows, peat free, barks, soils etc. Seeds & Bulbs now show Spring Flowering Bulbs, Vegetable Seeds, Grow Your Own etc. If you can't find what you are looking for you can also use the search bar or just give us a call.

New items now in stock, both instore and online

- Our best selling compost Erin Multipurpose 50lt £4.99 3 for £12, farmyard manure, John Innes seed compost, bark & top soil
- Thompson & Morgan new season Vegetable & Flower seeds, over 900 varieties to choose from
