

Media Release

1 May 2019

Have you renewed your garden waste collections yet?

Residents in Daventry District have just a few weeks left to ensure they have renewed their garden waste collections for the year ahead.

The annual charge for the fortnightly service from the start of June 2019 until the end of May 2020 is £36 per bin. Households wishing to continue with the service must ensure they have renewed their subscription by Friday, 17 May to ensure no disruption to their collections cycle.

Residents can renew or sign up for the service using their credit or debit card at www.daventrydc.gov.uk/gardenwaste or by calling 0345 218 5215.

Those who sign up will then receive a permit sticker to place on their bin or it won't be emptied. Residents who do not wish to renew the service for 2019/20 will receive their last garden waste collections during the week beginning 27 May 2019.

More than 20,000 homes signed up to the chargeable garden waste service when it was introduced in June last year by Daventry District Council (DDC) and its environmental services partner Daventry Norse. The service is not paid for by Council Tax and was made optional and self-funding so it could continue for only those who want it.
