e. Annual Audit Return

It was agreed that this should be completed at the next meeting following the internal audit to be carried out later this week.

8. PLANNING

- Planning permission has been refused for DA/2008//0085: **Felines**: erection of steel portal; framed agricultural type building to house motor homes
- Permission has been granted for DA/2008/0318: **Sira**: replacement porch and other alterations
- Application DA./2008/0440 **Manor Barn**, Manor Lane: swimming pool with pump room and changing room (Amended): Councillors agreed to make no comment.
- Planning Application: **7 South View**: outline plan for new dwelling and off-road parking for existing and new dwelling. As the plans had only arrived on the day of the meeting, it was agreed to consider this at the next meeting on Tuesday 20th May 2008.
- **Design Statement** progress: the Chairman reported that this will be going to the full District Council on 15th May, and after that the Statement should have standing as a Supplementary Planning Document.
- Decision on comments by the Parish Council to the national Planning Inspectorate concerning the appeal by the Danetre Consortium against the non determination of Planning Application 07/0096/OUTWND (Urban extension of Daventry to the east of Daventry and north of A45.) The Chairman presented a draft response which was agreed by the Parish Council.

9. VILLAGE GREEN

Application to register the Village Green

The Clerk reported that following the letter from the County Council stating that they had a mind to reject the application because it was Highways land, she had written asking for an explanation of the reason for rejection, as it had been known to be Highways land when we first applied in 2004. Having had no response, she had written again, this time to the Head of Legal Services. There has not been an acknowledgement of this letter.

It was agreed that these and future letters should be copied to our County and District Councillors.

New seat for the Green

As the grant has now been received from the NCC, it was agreed that the Clerk should order the new seat.

10. ROADS AND TRANSPORT

Village parking problems

At this point the Chairman closed the meeting and opened it to the public. Concern was expressed about the problems of parking opposite entrances to houses, making entrances and exits very difficult, although the cars so positioned are not parking illegally.

The chairman then re-opened the meeting.

After discussion it was agreed to approach our Police Community Support Officer and to ask NCC/May Gurney for advice. Meanwhile the Clerk was asked to drop a reminder about considerate parking into all the houses on Main Street.

Review of meeting with representatives of May Gurney (Margaret Andrews and Colin Johnson)

This meeting had taken place on the morning of 12th May.

The following were the main points:

- There is a regular schedule when the drains are cleaned out. It was agreed to find out when this happens for Whilton, and then to monitor the drains afterwards. If any fill up at once this will indicate where there are problems.
- Despite the good new patch in the road at the bottom bends, water is now running down the side of the road. The representatives are reasonably sure that this is mains water, which suggests that there is a leak here, which is the responsibility of Anglia Water. The Clerk was asked to report this to Anglia Water.
- South View handrail is wobbly and the fence is rusty in parts, its posts are decaying and the supporting wall at the base of the steps needs attention.

11. RIGHTS OF WAY

Northants Rights of Way Update and the Rights of Way Improvement Plan had been received.

12. THE ENVIRONMENT

Litter bin at the Locks

After considering several possibilities, it was agreed to order a black “Metal Guppy” litter bin by Glasdon at a cost of £220.45 and in addition a concrete-in-anchor to fix it.

Acquisition of land

The suggestion was made that the Parish Council should consider the acquisition of land for the benefit of the parish. Mr Lye offered to investigate this further.

13. LIAISON WITH THE DDC

- District Councillor Wendy Amos reported that that she is working on behalf of the villages in meetings on the future developments, particularly emphasizing the need for infrastructure, not just houses. In the ensuing discussion about representation of Whilton, in meetings where both Mrs Amos and Mr Osborne could be seen to have a conflict of interests, Mrs Amos said she would try to find out if there could be a possibility of a different District Councillor speaking for Whilton.
- The DDC Review for 2007 had been received and will be circulated.
- Notice has been received of a meeting with Parish Council representatives and the DDC on 24th June.

14. LIAISON WITH NCC

- The Clerk reported that the archives of the Parish Council have now been deposited in the County Record Office.
- The agenda and reports of the NCC Annual General Meeting on 15th May have been received.

15. INFORMATION RECEIVED

The following will be circulated:

- *NCALC Update* March / April 2008
- *Town and Parish Standard* March 2008
- *Local Councils Update*: April 2008
- *Clerks and Councils Direct* May 2008

16. MATTERS TO RAISE ON FUTURE AGENDAS

The next meeting will be on Tuesday, 20th May, beginning with a site meeting at 7 South View at 7.30 p.m.

The agenda will include:

- A review of the site for the new seat
- Completion of Annual Audit Return
- Planning application DA/20080471: 7 South View
- Proposed publication scheme for the Parish Council
- Proposed “Welcome leaflet”
- The allotment steps

The following meeting on 7th July will include:

- Confirmation and appointment of parish volunteers.

The meeting closed at 9.35 p.m.
