No objections but could some soft planting be undertaken in the area to replace the trees lost. This would then soften the impact of a bare wall in the vicinity when viewed from the car park side.

DA/2018/0981 - The continued use of Units A and B as builders' store, Unit C as car restoration and office, Units D, E, F and G for existing B1 uses and use of proposed Units H and I for B1 uses - **Farm Buildings, Grange Farm, Whilton Road, Great Brington**
