25th June 2020

The Village Hall Management Group
would like to thank all who took part,
whether you entered one or all challenges.

We know that some looked forward to the new task each Wednesday.

Some of the entries and responses can be seen on this website.

They have helped us to raise money for the Village Hall
and celebrate the community of Whilton in difficult times.

They also served to entertain the judges each week,
who enjoyed your various surprising and ingenious solutions.
